Air Quality Help for Small Businesses.

The South Coast Air Quality Management District has a team of engineers and inspectors specifically designated to help small businesses (100 or fewer employees) understand and comply with air quality rules and regulations.

The Small Business Assistance team can help you:

- Understand the rules that apply to your business.
- Identify equipment that requires a permit.
- Apply for air quality permits.
- Properly keep required records.
- Make sure the coatings, inks, solvents, and other materials you are using meet AQMD rules.
- Seek a temporary variance from rules if needed.
- Provide clearance letters for city occupancy permits.
